

# **Cabinets**

*By Design*

To whom it may concern,

I am writing a letter of recommendation based on our professional association with Tim Nelson Construction. The projects we have collaborated with his company on in the past have gone smoothly and met the necessary deadlines. The communication, cooperation and attention to detail from Tim and his team made our work easy and efficient. I would highly recommend Tim Nelson Construction to any one.

Sincerely,

Chris Carlos  
Vice President of Sales
